European Union's REACH Substance of Very High Concern (SVHC) Candidate List, EC No. 1907/2006 and Amendment EC No. 552/2009

The products of Weico Wire, except as noted below, do not contain any of the following listed on the European Union REACH Substance of Very High Concern (SVHC) candidate list, dated 20 June 2016, in excess of a concentration of 0.1% weight/weight.

Weico Wire has reviewed chemical breakdown reports and certifications from our suppliers to confirm that none of the SVHC's is intentionally added to our raw materials. Weico Wire confirms that we do not intentionally add any of the SVHC's to our products. Additionally, to the best of our knowledge our products do not contain any of the substances of very high concern above the 0.1% threshold by weight.

This information is provided as guidance with regard to the REACH directive. Companies introducing insulation wire & cable products into the European Union are responsible to determine their own responsibilities with regard to the REACH directive.

Sincerely,

Weico Wire & Cable, Inc
